Dear Hank,

STAT

STAT

I'll enclose copies, for you and for [redacted] of my letter to the Director of Eisenhower Library authorizing the two of you to review CIA-originated classified documents there in your visit this month. This is in response to [redacted] request of 16 May 1983 on your behalf, and I've also sent him a copy of this authorization.

I think I've got the SI clearances for both of you transmitted to the Eisenhower Library; if there is any problem I'll let you know. I was glad to have the copy of the NSA 19 May message to our people that [redacted] forwarded to me.

STAT

Beware of the fleshpots of Abilene.

Yours sincerely,
